With its very light and minimal design Halo creates an archetypical light circle. The soft light is directed upwards and downwards while its highly efficient led-light curves along with the lamp shape. Halo is available in 60 and 100cm diameter. Halo will be a real eyecatcher when different diameters are combined. It can be arranged in horizontal, angled or even vertical positions. The lamps can be place close to a ceiling, in free open spaces or vertically along the wall.
