

# TUBA

CEILING

TYPE:

PROJECT NAME:

---

'tuba' is a minimalistic family of surface mounted downlights and is available in 3 different sizes. The robust tubular body hides an elegant white painted trumpet shaped reflector which creates a soft and efficient light diffusion. Installing several tuba's in a linear way creates an architectural atmosphere whereas installing groups of different sizes together creates a playfull accent. Available in black and white and equipped with LED.
