

# BULLET™

CEILING

TYPE:

PROJECT NAME:

design by Alain Monnens

## bullet

BULLET is a retrospective ceiling lamp and the perfect alternative for the incandescent light bulb. The shape of the spherical glass provides the same pleasant and warm light experience only an incandescent light bulb could give.

The BULLET owes its fluent design to the equal diameter of both the base and the glass. This ceiling lamp is also applicable as a wall lamp and is available in various colors with opal glass.
