

# CLARA™

WALL MOUNT

TYPE:

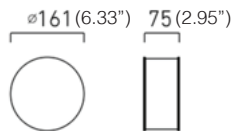

PROJECT NAME:

WALL MOUNTED

Clara is a wall-mounted luminaire providing light that is diffused and very pleasing to the eye. It performs well when lighting a mirror or in a hallway, but also as an element of a living room's décor. The high quality LED applied as its light source provides eye-pleasing illumination. If placed on the ceiling, it will fill the interior with indirect light while creating an illusion of bigger size.

Complementary lighting. It will work perfectly at establishments such as clubs, galleries, and hotels, but also as lighting for the office and home.
