

CRANE™

Table

TYPE:

PROJECT NAME:

design by Alain Monnens

The 'crane' is a desk luminaire, striking a balance between functionality and style. The design originates from exploring the most interesting and useful form out of 1 single folded plate, just like an origami crane bird. The foot has been folded into a straight angle so that the loss of work space is minimized. Therefore the 'crane' is excellent to place on the corner of your desk.
